

‘Timeless & Traditional’ or ‘Sleek & Contemporary’, Belle Flores Design can create beautiful designs to reflect your individual style and budget.

Specialists in stunning bridal party flowers - bouquets & posies, buttonholes & corsages, exquisite arrangements for church and reception, pedestal displays and cake decorations – Belle Flores Design can help you put the finishing touches to your special day.

Your wedding is unique and to ensure that we can create the perfect designs for you, we would encourage you to arrange a free consultation with one of our designers (please bring along any material swatches, pictures of ideas or even the actual flowers you like!).

To give you some ideas of the options available our wedding price guide is shown below. As much as we would like to provide a fixed price list I’m sure you appreciate that prices can vary somewhat according to your choice of flowers and their seasonal availability.

We look forward to seeing you soon and wish you all the best on your big day.
